Gio Minelli & Marco Fossati

Fixture type

Project name

Description

Pendant light with a large and thin lampshade designed to absorb surrounding sounds and create a high level of acoustic comfort while providing direct ambient illumination. Recycled PET shade, black anodized aluminum structure and PMMA diffuser. Shade adjusts from level to inclined positions for dynamic and creative arrangements around its fixed central light source.

Voltage	Dimmable
120-277V (UNV)	0-10V
