Included accessories

LED

Weight Lamp

7.5 lbs

Description

Armilla’s three cleverly crafted metal rings support the glass diffuser and provide the suspension point for the pendant. Armilla’s handblown 14.2 diameter glass is offered as a pendant lamp. A round mold is used to create the glossy white glass. The metal rings are inserted into the molds, and then the glass is blown in – securing the rings into place.

Voltage	Dimmable
120-277V (UNV)	0-10V
