

LUMI F66 Cappello

A.Saggia&V.Sommella

Transform Lumi With Cappello!

Lumi Cappello is the perfect accessory for our Baka, Mochi, and Sfera pendants. The spun aluminum hats transform Lumi's appearance while converting their function to direct illumination.

Cappello is made from spun aluminum and offered in two shapes, Cone and Dome, each presented in three diameters, and a choice of four painted finishes: white, black, painted gold, or painted copper.

Use Lumi Cappello with our Lumi Baka, Mochi, and Sfera pendants. See website for specific compatibility information.
